Why am I a candidate for U4U ?

1 – U4U stands for **Unity**.

We believe that the staff is best defended when we stand united.

2 – U4U representatives are committed to their tasks, they know their files, they are **competent** and reliable.

3 – In U4U, we believe in **Europe**.

Working for the EU is not a job like any other. We are also committed as citizens.

It is not only about the **conditions** we work in, or the **people** we work with, it is also about **what we work for**. I have found all three dimensions at U4U. **Join us !**

On 23-25 November, vote for U4U – List 2
